### A Message to Our Community from the Administration of Western Cree Tribal Council

As we move forward into a new chapter, we, the Administration of the Western Cree Tribal Council, wish to share this message with our relatives, friends, and Nation members. On April 1, 2025, WCTC will continue to carry out its important work alongside our two Member Nations — Horse Lake First Nation and Duncan's First Nation.

No matter where our paths lead us, we are forever connected. As Indigenous people, our kinship ties run deep. The histories, families, and relationships shared between Horse Lake First Nation, Duncan's First Nation, and Sturgeon Lake Cree Nation will always remain. This is the foundation of who we are as relatives, and it will continue to guide how we move together in respect, unity, and peace.

To Chief Ramona Horseman of Horse Lake First Nation and Grand Chief Virginia Gladue of Duncan's First Nation, we look forward to walking alongside you as we embark on this new journey together. WCTC remains dedicated to enhancing programs and services that empower and support our Nations, and we are excited for the new opportunities ahead that will benefit and uplift our Member Nations.

We also want to share that WCTC has office locations as follows:

WCTC Head Office : Duncan's First Nation, Box 88 Brownvale T0H 0L0

WCTC Administration Office : #109, 9824 - 97 Avenue Grande Prairie, AB

We also share that Child, Youth, and Family Enhancement (CYFE) continues its operations from the following location:

#108, 9824 - 97 Avenue Grande Prairie, AB

As we move forward together, may we walk with respect, unity, and a good heart – for our people today and for the generations yet to come.

In Unity and Respect,

Darlene Laboucan, Chief Executive Officer  
Western Cree Tribal Council
